

EVER WONDER WHY THE MORNING GLORY LOGO?

Updated: Jan 16, 2024

PLEASE READ TO FIND OUT AND MAY IT GIVE YOU THE REMINDER, THAT NOW AND ALWAYS WE HAVE A FRESH NEW DAY, EACH DAY!

Our logo signifies the strength and fragile nature of the Morning Glory.

Each day the flower opens and unfolds to its full potential.

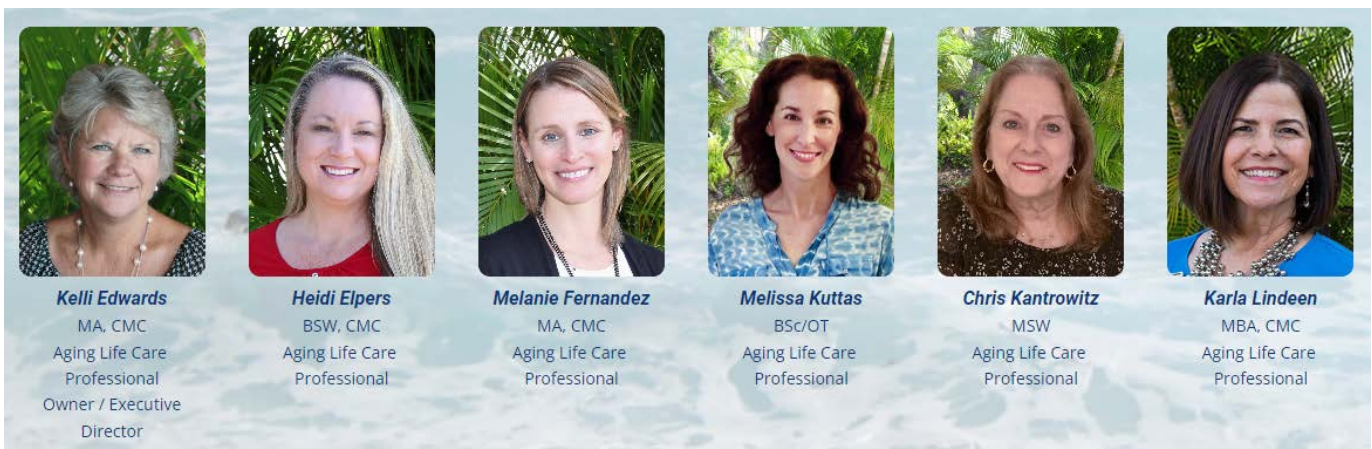

Sometimes you will find these flowers and the vine it grows on in harsh conditions, but yet it comes out anew each day!

The bee trailing off from the logo is a small yet strong creature, going in search of “resources” for the good of the colony.

With deliberation it comes back with what's needed for the care of all.

As determined Care Managers, we too honor the beauty of each and every one of our clients and strive very hard to give them, just what they need.

The utmost care and concern are given to each individual situation with the goal of enhancing their quality of daily life.

Happy Days ahead! From the Care Resources Team!
